REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the claims as supported by the specification differs from the prior art in that it does not teach a laser delivery system in which a nozzle is releasably coupled to a first end of the main body, the end cap is releasably coupled to a second end of the main body and includes a gas flow passage in fluid communication with the main body gas flow passage, one or more coolant flow passages each in fluid communication with one of the main body coolant flow passages, one or more filler media delivery flow passages extending through the main body; and one or more filler media delivery flow passages extending through the end cap, each end cap filler media delivery flow passage adapted to receive a filler media therein, and each in fluid communication with one of the main body filler media delivery flow passages.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to M. Alexandra Elve whose telephone number is 571-272-1173. The examiner can normally be reached on 6:30-3:00 Monday to Friday.
